Hazing occurs when an act is committed against a student or a student is coerced into committing an act that creates a substantial risk of harm to the student or to any third party for the purpose of initiating or affiliating with any school activity or organization.

Hazing includes, but is not limited to:

1. Any activity involving any risk of physical harm, including paddling, beating, whipping, branding, electrical shock, sleep deprivation, exposure to weather, placement of harmful substances on the body, and participation in physically dangerous activities.

2. Any activity involving the consumption of alcohol, drugs, tobacco products, or any other food, liquid, or other substance that subjects the student to an unreasonable risk of physical harm.

3. Any activity involving actions of a sexual nature or the simulation of actions of a sexual nature.

4. Any activity that subjects a student to any level of embarrassment, shame, or humiliation, or which creates a hostile, abusive, and intimidating environment for the student.

5. Any activity involving any violation of federal, state, or local law, or any violation of the Santa Fe Public Schools Code of Conduct and SFPS athletic department policies and regulations.

Athletes, coaches, advisors, or students are responsible to report violations of the above to the Athletic Director, Athletic Manager, or Assistant Principal or any other member of the SFPS administrative team. We, the parent(s)/guardian(s) and the student-athlete, have completely read, fully understand, and voluntarily accept the above terms and conditions.
