Improving Our Lives Through Education

Dear Parents, Guardians and Community Members,

I have scheduled Community Forums in different parts of the city to gain your feedback on how to better serve our students and schools. Please feel free to attend one or more of these events at the location most convenient for you. I look forward to meeting you and gathering your feedback as we work together to build a path to college and career success for all of our children.

Sincerely,

Joel D. Boyd
Superintendent of Schools
